

TRAILBLAZER 2017

CHEVROLET

Vehicle for illustrative purposes only

Vehicle for illustrative purposes only

LET YOUR PASSIONS LEAD THE WAY.

Since introducing the first SUV the world has ever seen, the Suburban, our legacy continues with the new Trailblazer, a tough and seriously stylish SUV built for those who dare to be bold. Trailblazer is iconically styled and comes equipped with many innovative technologies, advanced active safety features, improved noise, vibration and harshness, as well as improved ride and handling, designed to keep you on track, wherever your passions take you, ready to step in when needed.

FIND *NEW* ROADS™

EXTERIOR DESIGN

COMMANDING PRESENCE MEETS SPORTY SOPHISTICATION. With a sculpted look that is all its own, the new Chevrolet Trailblazer echoes the styling cues that distinguish Chevrolet from everything else on the road – from its signature dual-port grille to a refreshed front and bold new headlamp design. What you get is an unmistakable presence

that intrigues from every angle, no matter what South African journey you're trailblazing through.

NEW FRONT FASCIA. A streamlined and strikingly iconic hood design, bold grille and headlamps are all hallmarks of the newly designed front end.

NEW HEADLAMP DESIGN. The new LED DRL* headlamp design anchors safety and attention with sleek contours that complement its tough muscular frame.

*Available on LTZ and Z71 models only

Vehicle for illustrative purposes only

Vehicle for illustrative purposes only

FOG LAMPS. The fog lamps ensure optimal visibility during poor weather conditions.

LED TAIL LAMPS*. The eye-catching LED tail lamp design further accentuates the bold lines of the rear styling.

**Available on LTZ and Z71 models only*

SIDE STEP. The side step is designed to help you and your passengers get in and out easier and safer.

INTERIOR DESIGN

HIT THE ROAD IN STYLE AND COMFORT.

Step inside to an interior that is impressive and inviting. Discover premium leather seats with accent stitching, a fresh new centre stack and an electrically adjustable driver's seat*.

And with a second and third row that folds flat, the new Chevrolet Trailblazer offers an ideal combination of space distribution, adaptability and intelligent comfort that can be tailored to fit your idea of fun. The redesigned instrument

cluster panel and a fresh new centre stack, stitched with new aesthetics to really bring the iconic Chevrolet legacy to life. The new centre stack houses your vehicle's controls with access to selected safety features.

NEW INSTRUMENT PANEL.

The stylish new instrument cluster panel houses all the relevant engine and vehicle information that you will need on your Trailblazer. Enjoy generous

storage space to allow every aspect of your lifestyle to fit in with ease and comfort. From groceries to getaways, Trailblazer offers a considerably more spacious design and utilities to accommodate any journey, wherever the destination. Spacious rows of seats that comfortably seat seven.

*Available on LTZ and Z71 models only

POWER ASSISTED DRIVER'S SEAT*. Electrically adjust your seating position with the power assisted driver's seat for personalised comfort.

CHEVROLET MYLINK. Chevrolet MyLink – your portal to information, entertainment and connectivity. Enjoy hands-free calling and other Apple Car Play and Android Auto capabilities where available.

*Available on LTZ and Z71 models only

CENTRALISE YOUR SAFETY. The redesigned centre stack, home to Chevrolet MyLink and the 7-inch touch-screen display, now comes with easy access to important safety features.

NEW DOOR TRIM. The new door trim features bold character lines with chrome accented door handles.

LEATHER SEATS. Premium leather seats are completed with accent stitching and add sophistication to its rugged appeal.

TECHNOLOGY

SEAMLESSLY INTEGRATED TECHNOLOGY.

Whether you're off to the mountains or navigating city streets with standard Sat Nav*, the Trailblazer will guide you on your journey while keeping you entertained and in comfort along the way.

*Available on LTZ and Z71 models only

REMOTE START*. You can now start your Trailblazer remotely with a simple push of a button on your key fob. When your Trailblazer starts remotely, the doors remain locked and climate controls activate to their previous setting, cooling or heating the interior for comfort that welcomes.

ALWAYS CONNECTED, ALWAYS IN CONTROL. With Chevrolet MyLink and available phone integration, you can stay connected and in control. Handle calls, play music and access contacts from your compatible smartphone through the 7-inch colour touch-screen display, or with voice commands.

PERFORMANCE

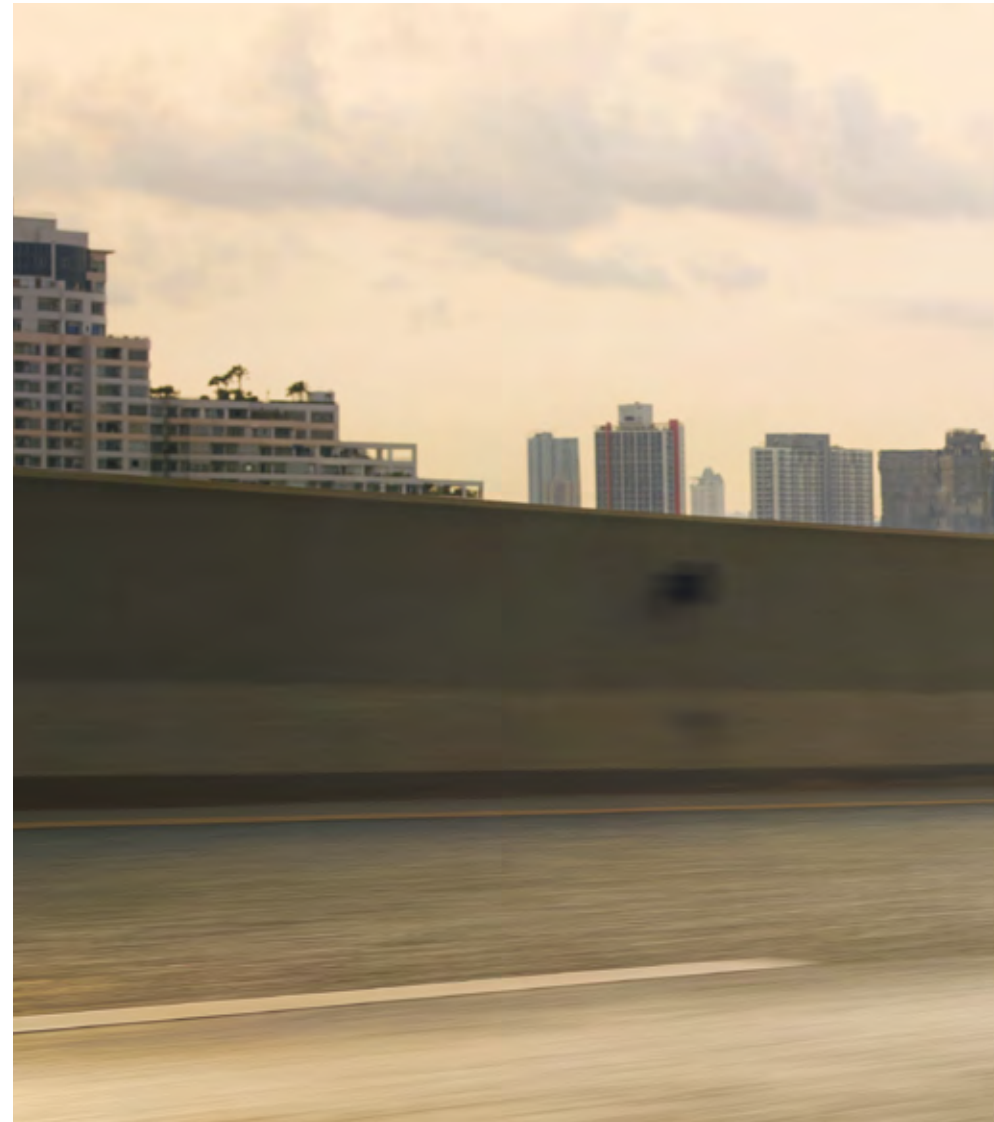

POWER THAT TAKES YOU FURTHER. Powerful, reliable and complemented by a thoughtfully refined suspension that's fluid and responsive. The new 2.5L* Variable Geometry Turbo engine on the LT Auto model delivers 132 kW of power, 440 Nm of torque and the kind of driving performance that continues, even when the road ends.

**Available on LT auto models only*

Vehicle for illustrative purposes only

Dominate South Africa's roads with fluid and responsive power with the 2.8L diesel engine that delivers 144 kW of power, 500 Nm of torque and the kind of driving performance needed for where the road ends and your adventure begins. Experience the smooth shifting 6-speed automatic transmission. The electric power steering allows you to manoeuvre with less effort.

Vehicle for illustrative purposes only

SAFETY

AN ARRAY OF SAFETY FEATURES TO KEEP YOU PROTECTED AND SAFE. Trailblazer comes packed with a host of available driver assist technologies, including strategically located radar sensors around the vehicle to protect you and your passengers. This, along with Front and Rear Park Assist, Tyre Pressure Deflation Detection* and 7 airbags, makes it worthy of its 5-star safety status*.

SIDE BLIND ZONE ALERT. LED-lit symbols on both exterior mirrors alert you when another vehicle ventures into one of your blind spot zones.

FORWARD COLLISION ALERT. Using a high-resolution camera to scan for vehicles ahead, this available feature alerts you to a potential crash risk with both audible and visual alerts.

LANE DEPARTURE WARNING. Lane Departure Warning alerts you when your vehicle unintentionally strays from the current lane without direct steering input and/or the indicator being used.

REAR-CROSS TRAFFIC ALERT. Rear-Cross Traffic Alert uses radar sensors to warn you of objects crossing your path as you back out of a parking lot. Visual and audible alerts are triggered if moving vehicles are detected.

*Available on LTZ and Z71 models only

COMPLETE CARE

When we set out to find new roads, we created the most complete customer care programme available – because we wanted a confidence guarantee that frees you from one of life’s big worries – the care of your car. Will it be done properly? Professionally? On time? And, what if the costs escalate?

At Chevrolet, we believe you should never have to ask these questions. When we say “Excellent

quality, timely delivery, and transparent costs come as standard,” we mean it. Chevrolet Complete Care covers regular servicing and roadside emergencies. It is delivered by dedicated, professional technicians with the qualifications to prove it.

We will meet your needs and exceed your expectations. That’s our pledge to you. Trained telephone operators to answer your questions

accurately. Mechanics who perform their tasks quickly and professionally and a mobile app to give you estimated costs before you make a booking. It’s the kind of service that isn’t found in your warranty, but in the people who understand what your car means to you. It’s what you deserve from us – and what we expect from ourselves.

**CHEVROLET COMPLETE CARE,
GREATER EXPECTATIONS.**
